July 25, 1975

Mr. Dean Kraft
2750 Home Crest Ave.
Sheepshead Bay, Brooklyn

Dear Mr. Kraft:

This letter is to thank you for seeing Mr. Robert Bennett. He feels much better now. Specifically, he reported 50% improvement of pain in his back, transient improvement of his thumb joint pain, and 75% improvement of the groin - pubic pains.

Sincerely,

Bernard Hanover, M.D.
